Do you want to discuss Carp Management at the Transition Mtg?

Hi Rob,

Hope your eyes have adjusted and all is well.

Could you please send the risk information?

Thanks,

Hi Rob - just wondering when you might get us the risk information for the bioaccumulation model.

Also, are we set for the 29<sup>th</sup>? I was thinking 10 to 12 for the CSM portion and then maybe 1 to 2 or 3 for the transition meeting. Sound about right?

Thanks
